

# Group Records

## March 2010

Made it through another winter and spring is right around the corner. Things have been good here in Rochester. I think I have finally sort of figured out the Group Record thing.

I am trying something different this time I have sent the districts their print outs via e-mail and am requesting that they only return the groups that have changes via e-mail so that I have an electronic record rather than a small slip of paper which I can promptly misplace. Will let you know how it works.

I have just one other thing to report. We have a total of 323 AFG groups of which 24 are AAC, 31 are ATG and the remaining 268 are regular AI-Anon.
