We mail out approximately 355 hardcopies of the Newsletter 10 times each year. We currently email 100 Newsletters to members. Please make sure you contact me if you want me to email your Newsletter to you or if you are not getting your emailed copy. George S., NYN Group Records Coordinator, prepares all the address labels for the hardcopies sent out by the printing company, The Mailbox.

One change made in 2009 after the Fall Assembly was to have Pam A. proof read the Web Issue before it is posted to check for member's last names to ensure anonymity. Anonymity is the responsibility of each member; please remember to remove the Officer/Coordinator identification page of the Newsletter before sharing with your group. I want to thank Pam,

Marion, and LaVaughn, they are your trusted servants who proof read each issue of the Newsletter. This is a team effort.

We hope to feature Al-Anon Literature in our June Issue. This request came out of the Fellowship Communications Committee.

One exciting new venture for Newsletters Coordinators is a new Yahoo Group Site that was started in April by the Newsletter Coordinator from Colorado. This site should prove very useful to Newsletter Coordinators sharing experiences. This is a new communication tool for me and I hope to learn more as I begin to use this site.

I thank you for the opportunity to serve our Area as Newsletter Editor!
