

## **CHAIRPERSON REPORT 2011 FALL ELECTION ASSEMBLY**

This is my last time to chair our NYN Assembly. It has been most challenging for me. My tendency to procrastinate still lifts it head from time to time. I am happy to turn over the gavel and responsibilities to our incoming Chairperson. Although a little slow sometimes, but thanks to reminders from others I will finish imperfectly perfect!

- I continue to write my article for N.H.
- I have prepared the agenda for this Assembly with input from our Delegate and the AWSC.
- I have printed out needed paperwork for everyone (AWSC and Assembly members).
- I am working on gathering information boxes that were passed to me, with some updates.  
I continue to build on the Chairperson's notebook to be passed on.
- I will be attending our Alateen Conference in October.
- I will be meeting in November with all officer and coordinators for our final transition meeting with the new Panel (52)

Thank you for allowing me to grow in this position. May we all continue to learn and grow in recovery together.

LIS,  
Connie D.
