

## **Alateen Report for AWSC Meeting**

**August 18<sup>th</sup> 2012**

I will not be able to attend the Fall Assembly as I am having knee replacement surgery in late September.

I have revised the recommendation letter for people to sign as part of the process of recommending and certifying a person to be an AMIAS. I would like input on this and hope to make it a future tool for re-certifying our existing AMIAS personnel. This was a problem when I had to recertify people as active AMIAS and the only tool I had was if people had asked to be removed as an AMIAS.

I have developed a letter to prospective AMIAS persons and I would like us to implement that as an extra part of the packet that goes with the other forms that are part of this process.

Please see the attachments to this report for the two possible new forms that we will discuss as part of my report on the Ad-Hoc committee report on reviewing the ***Alateen Guidelines and Requirements***

I am still in the process of working on sponsor training programs and if anyone has any input or would like to work on this with me and the committee on inserting our information into the WSO power point presentations.

There has been a request to revisit the placement of Alateen meetings on the websites. In our guidelines it has been a strong suggestion. It is now time to decide one way or the other about this issue so that we have a standardized and unified decision on this issue as an Area.

Respectfully Submitted

Lynda S.

Area Alateen Coordinator
