

Alternate Delegate and Forum Coordinator Report  
Fall Assembly 2012

The **two hats** that I wear in this Coordinator position are as **Alternate Delegate and Forum Coordinator**.

- As **Alternate Delegate** I have welcomed one new Group which is in Buffalo, NY. since the Spring Assembly.
- As Forum Coordinator I have continued write articles in the Northern Highlights to introduce people to the Forum and to highlight a new section each month. I do this hoping that this will encourage members to take this magazine seriously enough to use it in their meetings, contribute to it and to use it as a personal recovery and Public Outreach Tool.
- **At the Spring Assembly I offered each person attending an opportunity to win a free subscription to the Forum (paid for through my NYN Budget). . I am offering this again today. Even if you already have a Subscription please enter the Drawing so that you can give it to someone who doesn't have one. . In the Room that has the Registration and Raffle Table you will see a Forum Display. You will see a can that says Forum and a pad of paper next to it. Please put your full name on the paper and your Group and District number so that I can make sure we don't have problems with identifying the correct winner. The Drawing will take place and announced at the end of the Assembly. This afternoon.**

I will continue to do this at future Assemblies. My purpose for doing this is to increase subscriptions for New York North and to excite people about the Forum.

**I have also been communicating with the New NYNAC Coordinator and the NYNAC Host Group because this is the First and Transition year for NYNAC to be held at our new venue, Vanderkamp. I have been asked to help with this because I was the former NYNAC Coordinator and because I was on the Committee that secured this new Venue.**

**In Service,**

**Diane L. C.**
