

Alateen Report

I would like to request that all DR's check their blue notebook for the **NYN Guidelines and Requirements**. This notebook should have been given to you with the transition to your position. If they are not in there please print off a copy of them from the NYN website, under forms and guidelines. Also I would like to request that you print out the following guidelines from I would like to request that you print out the following guidelines from the WSO website: **G- 5 G-7 G-16 G-19 G-20 G-24 G-34 G-37.**

These are all Guidelines that have to do with Alateen. These can be found on the drop down menu under Group Services and the second item is Guidelines. When you sign off on Al-Anon members Involved in Alateen Service (AMIAS forms) it would be important to know what you are signing off for and the seriousness of that signature. Please discuss these with your GR's at your District meetings so they can also be familiar with them.

This coming Fall I will be doing a presentation on my job as AAPP and Alateen coordinator. I will also be doing a presentation about the importance of safety of our young adults in the rooms and at conventions and NYNAC (the Alateen Conference). I am requesting that people be familiar with both the Requirements and Guidelines of NYN and the Guidelines from WSO so that we can have a productive discussion to familiarize us all on the present Requirements and Guidelines, what might be helpful to change and how we can implement training for our present AMIAS and people who hope to become ones in the future. Training is important to have an idea of what the seriousness and safety issues are. It is also a way to be aware of different issues that may come up and have a plan of approach in dealing with such issues. Hopefully we can work together to implement this training before the end of my term.

Respectfully Lynda S

NYN Alateen Coordinator
