

Alternate Delegate/Forum Coordinator Report Spring Assembly May 11, 2013

Since the Fall Assembly I have written Articles encouraging members to subscribe to the Forum and to use them in there meetings, offer them to Newcomers, and to use in Public Outreach. I have also shared on the Steps and Tradition for each month as to how it personally applies to my recovery and me. I do hope you check my articles out.

In March, I was asked to monitor e-mail queries that came in through the NYN Website. I have been able to answer them myself or to forward them on to either a Coordinator or a District Reprehensive for help. .

Types of Queries:

- Meetings (Al-Anon and Alateen) in Jefferson/Lewis County- 3
- Open Meetings in District 6
- Meetings in Plattsburgh Area-
- Meeting in Brooklyn- 2
- Where to send NYN Financial Donations
- Event Flyer to place in Newsletter- 2
- Active Meeting not on Schedule- District 8
- Contact information for Donations to NY South Literature Replacement

Some of the things that I have learned from these Queries

- It is imperative that we keep our Meeting Schedules on-line as current as possible
- People do use the Website to find meetings so that this is a valuable Public Outreach Tool.
- Members feel free to contact us through this method when they are not sure which coordinator to contact.

I have placed on the Table:

- Form F-2- Tips to help GR's Promote the Forum
- Forum Sharing Sheets
- Humor Sharing Sheets

Please pick one up and share your experience strength, and hope to others through writing a something for the Forum. Remember the Authors of the Forum are members of this program like you and me, not paid authors.
