

**Archives Report
For
AWSC Meeting
Saturday, August 17, 2013**

Currently, I am at the Syracuse AIS on the third Monday of every month from 9 am-4 pm.

I can be found in the basement storage room of the Service Center inventorying and familiarizing myself with the cartons of Archives materials. Part of the day, I go upstairs to the Service Center Office, which is a more comfortable place to work.

Each month I prepare an Archives article for the Northern Hi Lights publication and send it to Gwenne R..

Because I will return to work in September, it is likely that I will change the day/time I will be at the Service Center after September. When I receive my new schedule, I will inform everyone in the October issue of Northern Hi Lights as to my availability.

Beginning with the September issue of Northern Hi Lights, I will be selecting a piece of archival material to share with the readers.

The September issue of Northern Hi Lights contains a selection from the ***Fall Assembly 20001, our 50th Anniversary***, which I hope our readers will find interesting.

I will be bringing these materials to our Fall Assembly for display.

Respectfully submitted,
Kathy M.
