

Immediate Past Delegate Report

March 13 -15 I traveled to Cromwell, CT with our current Delegate Diane C. and 2 past Delegates, Elaine R. and LaVaughn R. to attend NERD. I introduced our new Delegate to the assembly on current and past Delegate from the North East Region.

The NERD weekend's primary purpose is to prepare new Delegates for their first WSC. We also heard a report from the Northeast Regional Trustee, Joan S. It was a wonderful weekend.

Just to let you know I was elected secretary for the 2016 NERD. I would not have stood for the position, were it not for my experience as secretary for NYN. My thanks to all of you for that experience,

I am looking forward to my first experience of leading the New GR meeting at the Spring Assembly/Convention. I'm sure I will be a little nervous that first time but know that Elaine R. has prepared me well for this.

I continue to write my article for the Northern Hi Lights each month.

Respectfully submitted,

Ruth S.
