

## Newsletter Coordinators Report

With the help of two proofreaders and Pat H. from District two, I've completed three issues of *Northern Hi Lights*.

It has been an awakening, a great experience that has challenged and humbled me. It has also made me feel good about myself.

I expected to do this alone, but by myself, I'd still be working on the first issue. I'm grateful that every issue will be a joint effort of the contributors articles, Pat helping me with the word processor, and Gwenne and Connie helping me get it right.

John O.
