

Immediate Past Delegate Report
AWSC Meeting August 8, 2015

I lead my first New GR Meeting at the Spring Assembly/Convention on May 30th. There were about 20 new GRs and a few have been GRs for a while. It was a good meeting with thoughtful questions and informative exchange of information.

I did notice that some of the information was a little out of date. We no longer have Action Committees so I will need to update some of the written information before the next new GR meeting.

I continue to write my articles for the Northern HiLights. I am also serving on a few committees. These include the Finance Committee, Trusted Servants unable to meet their job duties and the Web Committee. I am currently chairing the State Fair Committee.
