

Presentations Committee Coordinator

Can dual members serve at the group level? What is the WSO position on program jewelry or trinkets? Can members from other groups vote in a business meeting? Can AA events with Al-Anon participation be announced in Al-Anon meetings?

You may think you know the answers to these questions. But have you looked at the Service Manual lately? The truth may surprise you! That's why at the Fall 2015 Assembly we'll be playing...

[Theme Music] SERVICE MANUAL? OR BALONEY? [End Theme Music]

Fabulous (edible) prizes! Strange revelations! Audience participation! Did I mention edible prizes?

I could use the following volunteers to make this happen:

- Emcee (draws & calls names & yells "Come on down!")
- Co-Emcee (draws and reads question, calls for audience participation, tells answerer whether he/she has correct answer or not, sends that person to table for prize)
- Techie (puts question up on screen in PowerPoint)
- Two Prize Presenters (to distribute the edible prizes)

Also, if you have run into a service myth (baloney!) or a service revelation (service manual!), please feel free to email it to me! I will be compiling a list of questions for the game show and I want to have plenty.

Yours in service,
Sarah
