

**Immediate Past Delegate Report**  
**Spring Assembly/Convention**  
**May 14, 2016**

My primary duty as Immediate Past Delegate is to facilitate the new GR's meeting on Saturday morning. I lead my third new GR meeting this morning. I enjoy meeting all you new GRs and hope this will just be your first step on a long journey of service in Al-Anon.

I am currently serving on four committees. They are the Finance Committee, the Web Committee and the Trusted Servants in Need of Support.

I am chairing the State Fair Task Force. I am so excited that our application to exhibit was again accepted. It will be a great public outreach for all of NYN. A separate report will be given today. I hope you will all get as excited as I am that you will bring the information back to your groups with enthusiasm, encouraging all to get involved. With members getting involved we can have a great experience at the State Fair, even better than last year.

Gratefully in Service,  
Ruth S.
