

Hello, NYN!

Since the last AWSC meeting at Spring Assembly in Albany, I have been quite busy!!

I have continued to write my article for the Northern Hi Lights newsletter, which includes every donation received, every expense paid, current balances of all accounts, as well as commenting on the Topic of the Month. I just love July and January, when I have a break with the combined editions of the newsletter! (I'll bet I'm not the only one, either!!)

I have had numerous communications, as well as attending meetings, with the Finance Committee. I have had a summer filled with research in trying to answer some questions the Finance Committee has encountered.

I have worked closely with Leslie to set up the new NYNAC account, with her stepping up to take the position of NYNAC Coordinator. Thank you for your willingness to step up, Leslie!!

Since I will be presenting at the Fall Assembly what the job of NYN Treasurer entails, I have been trying to prepare for that.

The NYS Fair expenses have been paid as they have come in. Thank you for your promptness in getting the information to me for payment, Ruth! Some of the expenses require a bank check for payment, which requires another visit to the bank.

The following are the current balances of each of NYN's accounts:

Regular Checking	\$11,112.25
Reserve Checking	\$ 9,215.40
Sage Ruddy Mutual Fund	\$ 2,822.49

Are there any questions?

Thank you for your continued financial support of NYN! And thank you for your confidence in my serving as NYN Treasurer!

Hugs in Service,
Linda A
