

Immediate Past Delegate
AWSC April 8, 2017

I attended NERD over the weekend of March 10-12 in Palisades, NY. As in the past I traveled with our current Delegate, Diane C. It was a great weekend. Among other things there were some great technology presentations. Diane will be sharing more on this.

I continue to be part of the finance, web and policy committees. I am also chairing the State Fair committee. Things are progressing nicely with the fair. As you may know the fair has expanded to 13 days this year, 8/23 through 9/4. We will need an additional 8 volunteers this year to man the booth. I will have a more in-depth report at the Spring Assembly including information on when signups will begin.

Respectfully submitted,
Ruth S.
