

## **NYN Alateen Coordinator Report for March 24, 2018 AWSC**

Since Jan. 1 I have been in phone or email contact with several NYN servants and Alateen sponsors. On Feb. 10 I participated in WSO's Web Conference Call. Sue and Sergio presented a power point which included: communications procedures; role of coordinator; training material; and other service tools.

On Mar. 10 Walt arranged a conference call to update Alateen Guidelines. Walt, Mary Beth, Leslie and I finished up the minimum requirements for becoming an AMIAS and for Alateen participation in other conventions. These changes will be put before the Spring assembly for a vote. We also discussed the recommendation that NYN purchase sexual misconduct insurance. Doing so will greatly reduce the cost of background checks.

Since last fall one new Alateen group has been registered. Its name is "Southtowns Hope 4 Teens Alateen and it meets at 10 AM on Sat. in Hamburg.

I am now preparing for another Web Conference Call with WSO personnel. It is scheduled for 1PM on Sat. Mar. 17. The subject is AMIAS recertification.
