

**NYN Area Assembly  
AWSC Meeting 3/24/18  
Chairperson Report**

Panel 58 has started off with the resignation of the Newsletter Coordinator. This is one position that we need to fill as quickly as possible. I have send out a notice of this need to all officers, coordinators and DRs. I have also addressed the need for a new Newsletter Coordinator in the March Northern HiLights. My hope is that someone will step forward at the AWSC meeting, if not before.

In the mean time a past newsletter coordinator, Gwenne R. has stepped up to edit the newsletter for the months of March and April. I am so gratefully to Gwenne for doing this for NYN.

Over the past couple of months, I have had a number of conversations with NYN members on a few issues. I have been speaking with a member who is trying to start a new meeting. It has been a pleasure to talk with her about this and try to answer her questions. I have also spoken with a member about dual members and where they can serve their group. I have enjoyed all the sharings the last few months. I look forward too many more conversations over the next 3 years.

I continue to write my newsletter articles. I will be serving on multiple committees and am looking forward to that duty. I have written my first agenda for today. It is a work in progress.

Gratefully in Service,  
Ruth S.
