

Report from the Immediate Past Delegate: Elaine R. 8-17-13

Since the Spring Assembly I have continued to share my thoughts on the topic suggested by the Northern Hi Lights Editor in the monthly issues of the NHLs.

I have continued my work on the Voting Procedures for NYN with the hopes that we can make this a workable piece shortly.

I have been an active member of the Finance committee and have begun work on the committee to look at developing a policy and a procedure for working with members involved in service work who are unable to fulfill the responsibilities of the position.

I have prepared a list of suggested materials to be included in the NYN notebook for Officers, coordinators and DRs. A copy of these suggestions will be shared with you today.
