# Area Alateen Safety and Behavioral Requirements

---

*World Service Conference Alateen policies that are approved for the World Service Conference structure must adhere to the 2003 Alateen Motion from the Board of Trustees. The 2003 Alateen Motion is a legal resolution of the Board of Trustees of Al-Anon Family Group Headquarters, Inc. and cannot be changed by a World Service Conference motion. Just as our Al-Anon/Alateen policies and procedures must be in keeping with our Twelve Steps, Twelve Traditions, Twelve Concepts of Service and the World Service Conference Charter, Alateen policies and procedures for the World Service Conference Structure must also comply with the 2003 Alateen Motion. Only the Board of Trustees can amend or alter the 2003 Alateen Motion.*

---

In order to use the Alateen name, each Area in the World Service Conference Structure must have Area Alateen Safety and Behavioral Requirements in place that meet or exceed the minimum requirements set by the 2003 Alateen Motion. Each Area's established Safety and Behavioral Requirements, as well as any revisions to those same requirements, must be current, compliant, and on file with the World Service Office (WSO). These requirements, developed by individual Areas, protect the teens and the adult Al-Anon members who serve them and assure parents and guardians that Al-Anon and Alateen functions within the law.

Each Area must identify the required steps that need to be taken by members in order to comply with their Area's requirements. Maintaining and implementing these Area requirements demonstrates to the fellowship and to the public that Alateen is a program characterized by careful oversight of young people seeking recovery from the effects of someone else's drinking.

The Area's Requirements apply to the registration of all Alateen groups, certification of Al-Anon Members Involved in Alateen Service (AMIAS). Alateen members' participation in Alateen meetings, and all other events with Alateen participation such as conferences, and conventions. In order to use the Alateen name, the Area, all AMIAS, all Alateen members, and all meetings and events with Alateen participation must comply with the Area's Alateen Safety and Behavioral Requirements.

*Taken from pages 93 & 94 of the WSO Al-Anon/Alateen Service Manual 2018-2021.*

1. (Taken from WSO Al-Anon Guidelines “Starting an Alateen Group” G-19) When starting a new Alateen Group, contact one or more Al-Anon Groups for support of the Alateen Group. Experience has shown that Alateen Groups which meet at the same time and place as an Al-Anon or AA group are more successful, safer, and the Alateens have fewer transportation problems. Al-Anon groups can also support the Alateen Group by encouraging members to become certified AMIASes in order to serve as regular or back up Alateen Group AMIASes.
2. An **Alateen Registration/Group Records form** (GR-3) (Attachment F) is submitted through the Area process. In order to open a new group, there must be two registered AMIASes connected to the group.

4. The Alateen Registration/Group Records Change form will be processed within five working days of being received by the AAPP if all Group AMIASes are currently registered or from the date of receiving the new AMIAS WSO ID number.
5. The NYN AAPP will process the GR-3 entering all group information in the World Service Office (WSO) Online Group Records program.
6. Once the WSO has assigned an Alateen Group Number, the AAPP will document this information on the GR3 form. A copy will be sent to the group CMA, DR and a copy to the NYN Website Coordinator. The Website Coordinator enters the group information on the NYN Alateen Meeting page. Original documents are retained by the NYN AAPP.
7. Alateen Registration/Group Records Change forms that contain missing information will not be processed. The form will be returned to the Alateen Group CMA for correction.

### **CHANGES FOR EXISTING ALATEEN GROUPS:**

1. Changes involving new Alateen Group AMIASes must include either the AMIAS form or the AMIAS WSO ID #. 2. If an Alateen Registration/Group Records Change form is incomplete, the form will be

- returned to the Alateen Group's CMA by the NYN AAPP for required information.

9. AMIASes know where their teens are and vice versa. (AT ALL TIMES)
10. AMIASes are encouraged to share their experience, strength, and hope at the meetings during the weekend. Since this is a teen weekend, it is requested that AMIASes allow all teens to share first before sharing their own experience, strength, and hope. The teens want AMIASes to share as equal members, *not as authority figures*.
11. If AMIAS has to leave the conference room area and return to their room for any reason, let Security and another AMIAS (that your teens are familiar with) know where you will be.
12. All AMIASes are required to attend the AMIAS meeting at NYNAC when scheduled by the Alateen Coordinator. AMIAS on Security Duty during the AMIASes meetings are exempt.
13. In all cases of behavioral concerns, the following process should take place:
  - a. All members involved in the incident, their Alateen Group AMIAS, the NYNAC Coordinator, and the Area Alateen Coordinator have a discussion.
  - b. The situation is reviewed allowing all an equal voice.
  - c. A decision is made that is both appropriate for the situation and respectful of the person(s) involved.
  - d. Use Knowledge Based Decision Making (KBDM). (It means that we gather all the facts, talk it over and decide, even if we don't all agree. Can we live with it?)
14. The Alateen Group AMIAS is responsible for registering their groups and picking up the registration packets for each of their attending members when they first arrive at the facility. Head counts of your teens attending should be done prior to leaving your departure location, upon arriving at conference facility, before departure on Sunday morning, and finally upon arrival at your drop off location.
15. AMIASes are reminded that they, too, must follow the NYN Behavioral Guidelines and Requirements. They have legal responsibility for the Alateens they bring to NYNAC, They can be held liable in the event of any harm done to the Alateens in their care.
16. AMIASes are to abstain from sexual activity. Hugs and handholding are acceptable (With the consent of both parties). Be respectful and set a good example.

17. Smoking/Vaping is allowed as **described by New York State** law in designated areas. (*No Smoking in buildings by anyone.*)
18. For legal and traditional responsibilities of AMIASes, refer to WSO Guideline G-34 / Page 4.

### **NYNAC Security Guidelines**

#### **(The job of security is to guide and protect)**

1. Any adult participating in NYNAC must be a certified AMIAS prior to attending the weekend.
2. “An Alateen conference with an open meeting(s) should develop a way to identify the Area-certified Al-Anon Members Involved in Alateen Service (AMIAS). There must also be a safety plan to ensure that the Alateens are always in their care. The same principle applies for individuals present to provide services needed such as a nurse, cook, servers facility staff and invited speakers. If any adults present are not Area-certified AMIAS, the safety plan ensures that the Alateens will always be in the care of an AMIAS at the event.” WSO Al-Anon Guideline “Alateen Conferences” G-16.
3. Every AMIAS attending NYNAC should have the cell phone and room number for the NYNAC Coordinator, Alateen Coordinator, and Nurse.
4. If an Alateen drives his or her own vehicle to the conference, the teen will be required to give his/her keys to their Alateen Group AMIAS or other designated trusted servant for the duration of the conference. No other Alateens are permitted to ride with an Alateen who is driving his/her own vehicle to the conference. WSO Al-Anon Guideline “Alateen Conference” G-16.
5. If there is a concern about drug or alcohol use at NYNAC, both the teen’s Alateen Group AMIAS and the Medics need to be called in as well as the NYNAC and Area Alateen Coordinators. No one shall make a determination about substance abuse without an evaluation by the medical team. After discussion, if the concern appears valid, the parents/guardian will be contacted to pick up the teen.
6. Security Team member are not allowed to go into the sleeping area of the opposite sex.
7. All Security shifts will be worked by a male and female AMIAS.
8. The male/female AMIAS are responsible for ensuring all Alateens are accounted for and present prior to lights out. If for any reason a teen must leave the sleeping area after hours, an AMIAS must accompany him/her. The AMIAS must notify one of the coordinators before leaving.
9. The handheld communication units are not toys and should be treated with care. The security team using them should refrain from using offensive language as the units are on a public access frequency and are subject to F.C.C. rules and regulations.
10. Security teams (AMIASes) should familiarize themselves with the other AMIASes attending NYNAC. A teen may need to find his/her AMIAS.
11. Particular attention to security needs to be made at key times to ensure the safety of all attendees, such as Friday after the last meeting until lights out, on Saturday Evening during the speakers meeting, talent show/dance till lights out, and Sunday during the Gratitude/Kick-out Meeting till time of departure.
12. Room assignments are the responsibility of the NYNAC Coordinator. If there is a question or issue involving room assignments the NYNAC Coordinator and the Alateen Group AMIAS need to be consulted to discuss the issue and take the necessary steps to resolve the situation.
13. Security team members also need to follow the Guidelines. Be courteous, kind, and go to meetings, get rest, and have some fun. *Please take this responsibility seriously.*
14. If the teens are being quiet and not disturbing anyone (after curfew), they are allowed to stay up in their rooms and talk quietly. They should always be encouraged to get some sleep.

15. Teens are allowed to return to their rooms during the event at the discretion of the medic and Alateen Group AMIAS. Security must be advised at the time. AMIASes are responsible to check on their teens.
16. No wandering the grounds (alone or couples) after dark.
17. Respect and common sense as well as Principles above Personalities prevail in all situations.

### **Miscellaneous Items for NYNAC**

1. **Photographs and videos:** NYNAC Coordinator or designee may be taking pictures for NYN Archive but must obtain permission of the individuals involved. Any AMIASes/Alateens wishing to take photographs and videos are allowed as long as they have the person's permission. Keep in mind that the videos and pictures are to be shared only within the fellowship and the walls of NYNAC. ( Tradition 11) No photos or videos are to be posted in any social media.
2. **Electronic Devices/Cell Phones:** All electronic devices and cell phones must be turned off during the meeting. This also pertains to both Alateens and AMIASes.
3. **Lost luggage and other items:** Teens are reminded before they leave home, not to bring anything valuable to NYNAC. If something is lost or missing, the NYNAC Coordinator should be aware of the items. The facility needs a contact in case something is found.
4. **NYNAC Inventory Meeting:** The 1998 NYNAC Group Conscience requested that an inventory meeting be put on all future programs for Sunday mornings before the Gratitude / Kick-Out meeting. (Clearing the Air) (Suggestion from NYNAC Coordinator : Brags and Drags about the weekend) Everyone in attendance has a voice. (Concept 5)
5. **Sleep:** Alateen should respect themselves and their AMIASes. The times for "Lights Out" are on the schedule and should be followed. When sleep is difficult and the Alateen wish to stay up quietly in their room, they may do so. Keep in mind that all meetings are mandatory and the next day starts early in the morning. Be good to yourself and get some sleep.
6. **Rooms:** No open food should be stored in the rooms. A snack table is available for snacks. A plate of snacks can be brought back to the room as long as the remains are disposed of properly. When changing clothing, the shades, curtains and doors should be closed. Sometimes the medics or AMIASes will need to go down the hall of the opposite sex in cases of medical emergencies.
7. **Talent Show:** The Talent Show is a vehicle for self-expression for both the teens and their AMIASes. Participants must use common sense in making sure that routines do not cause emotional, spiritual or physical harm to another person or themselves. Each participant's talent is a reflection of themselves.

The website can be accessed online through the New York State Legislature's Website (<http://public.leginfo.state.ny.us/menuf.cgi>). Click on Laws of New York to access Social Services Law.

### When Am I Mandated to Report?

Mandated reporters are required to report suspected child abuse or maltreatment when they are presented with a reasonable cause to suspect child abuse or maltreatment in a situation where a child, parent, or other person legally responsible for the child is before the mandated reporter when the mandated reporter is acting in his or her official or professional capacity. "Other person legally responsible" refers to a guardian, caretaker, or other person 18 years of age or older who is responsible for the care of the child.

Mandated reporters who are social services workers have expanded reporting requirements. Social services workers are required to report when, in their official or professional role, they are presented with a reasonable cause to suspect child abuse or maltreatment where any person is before the mandated reporter and the mandated reporter is acting in his or her official or professional capacity.

### What is a Professional Role?

For example, a doctor examining a child in her practice who has a reasonable suspicion of abuse must report her concern. In contrast, the doctor who witnesses child abuse when riding her bike while off-duty is not mandated to report that abuse. The mandated reporter's legal responsibility to report suspected child abuse or maltreatment ceases when the mandated reporter stops practicing his/her profession. Of course, anyone may report any suspected abuse or maltreatment at any time and is encouraged to do so.

### Reasonable Cause to Suspect

Reasonable cause to suspect child abuse or maltreatment means that, based on your rational observations, professional training and experience, you have a suspicion that the parent or other person legally responsible for a child is responsible for harming that child or placing that child in imminent danger of harm. Your suspicion can be as simple as distrusting an explanation for an injury.

# Summary Guide for Mandated Reporters in New York State

### What Is Abuse and Maltreatment?

#### **Abuse**

Abuse encompasses the most serious injuries and/or risk of serious injuries to children by their caregivers. An abused child is one whose parent or other person legally responsible for his or her care inflicts serious physical injury upon the child, creates a substantial risk of serious physical injury, or commits a sex offense against the child. Abuse also includes situations where a parent or other person legally responsible knowingly allows someone else to inflict such harm on a child.

#### **Maltreatment (Includes Neglect)**

Maltreatment means that a child's physical, mental or emotional condition has been impaired, or placed in imminent danger of impairment, by the failure of the child's parent or other person legally responsible to exercise a minimum degree of care by:

- \* failing to provide sufficient food, clothing, shelter, education;
- or**
- \* failing to provide proper supervision, guardianship, or medical care (*refers to all medical issues, including dental, optometric, or surgical care*); or
- \* inflicting excessive corporal punishment, abandoning the child, or misusing alcohol or other drugs to the extent that the child was placed in imminent danger.

Poverty or other financial inability to provide the above is not maltreatment.

**Note:** The definitions of abuse and maltreatment are different for children in residential facilities operated or licensed by the state.

### How Do I Recognize Child Abuse and Maltreatment?

The list that follows contains some common indicators of abuse or maltreatment. This list is not all-inclusive, and some abused or maltreated children may not show any of these symptoms.

#### **Indicators of Physical Abuse Can Include:**

- \* Injuries to the eyes or both sides of the head or body (*accidental injuries typically only affect one side of the body*);
- \* Frequent injuries of any kind (*bruises, cuts, and/or burns*), especially if the child is unable to provide an adequate explanation of the cause. These may appear in distinctive patterns such as grab marks, human bite marks, cigarette burns, or impressions of other instruments;
- \* Destructive, aggressive, or disruptive behavior;
- \* Passive, withdrawn, or emotionless behavior;
- \* Fear of going home or fear of parent(s).

#### **Indicators of Sexual Abuse Can Include:**

- \* Symptoms of sexually transmitted diseases;
- \* Injury to genital area;
- \* Difficulty and/or pain when sitting or walking; Sexually suggestive, inappropriate, or promiscuous behavior or verbalization;
- \* Expressing age-inappropriate knowledge of sexual relations;
- \* Sexual victimization of other children.

#### **Indicators of Maltreatment Can Include:**

- \* Obvious malnourishment, listlessness, or fatigue;
- \* Stealing or begging for food;
- \* Lack of personal care—poor personal hygiene, torn and/or dirty clothes;
- \* Untreated need for glasses, dental care, or other medical attention;
- \* Frequent absence from or tardiness to school;
- \* Child inappropriately left unattended or without supervision.

### When Am I Mandated to Report?

Mandated reporters are required to report suspected child abuse or maltreatment when they are presented with a reasonable cause to suspect child abuse or maltreatment in a situation where a child, parent, or other person legally responsible for the child is before the mandated reporter when the mandated reporter is acting in his or her official or professional capacity. "Other person legally responsible" refers to a guardian, caretaker, or other person 18 years of age or older who is responsible for the care of the child.

Mandated reporters who are social services workers have expanded reporting requirements. Social services workers are required to report when, in their official or professional role, they are presented with a reasonable cause to suspect child abuse or maltreatment where any person is before the mandated reporter and the mandated reporter is acting in his or her official or professional capacity.

### What is a Professional Role?

For example, a doctor examining a child in her practice who has a reasonable suspicion of abuse must report her concern. In contrast, the doctor who witnesses child abuse when riding her bike while off-duty is not mandated to report that abuse. The mandated reporter's legal responsibility to report suspected child abuse or maltreatment ceases when the mandated reporter stops practicing his/her profession. Of course, anyone may report any suspected abuse or maltreatment at any time and is encouraged to do so.

### Reasonable Cause to Suspect

Reasonable cause to suspect child abuse or maltreatment means that, based on your rational observations, professional training and experience, you have a suspicion that the parent or other person legally responsible for a child is responsible for harming that child or placing that child in imminent danger of harm. Your suspicion can be as simple as distrusting an explanation for an injury.

### Where Do I Call to Make a Report?

As soon as you suspect abuse or maltreatment, you must report your concerns by telephone to the New York Statewide Central Register of Child Abuse and Maltreatment (SCR). The SCR is open 24 hours a day, seven days a week, to receive your call. The timeliness of your call is vital to the timeliness of intervention by the local department of social services' Child Protective Services (CPS) unit. You are not required to notify the parents or other persons legally responsible either before or after your call to the SCR. In fact, in some cases, alerting the parent may hinder the local CPS investigation and adversely affect its ability to assess the safety of the children. The telephone numbers to report abuse or maltreatment by a parent, foster care or day care are:

**Mandated Reporter (800) 635-1522**  
**Public Hotline (800) 342-3720**  
**For Abuse by Institutional Staff:**  
**1-855-373-2122**

One county runs its own child abuse hotline that may be used instead of the SCR:

**Onondaga County (315) 422-9701**

Oral reports to the SCR from a mandated reporter must be followed within 48 hours by a written report to the local department of social services' CPS unit on form LDSS-2221A. A copy of this form and the local mailing address can be obtained by contacting your local department of social services, or by visiting the New York State Office of Children and Family Services (OCFS) website at [ocfs.ny.gov](http://ocfs.ny.gov). Click on "Forms", then click on "Try a keyword search...", enter the form number in the box and click "Find". To contact your local department of social services, click here: <http://ocfs.ny.gov/main/localdss.asp>

### What Happens When I Call the SCR?

There may be times when you have very little information on which to base your suspicion of abuse or maltreatment, but this should not prevent you from calling the SCR. A trained specialist at the SCR will help to determine if the information you are providing can be registered as a report.

The LDSS-2221A mandated reporter form can be used to help you organize the identifying or demographic information you have at your disposal. Be sure to ask the SCR specialist for the "Call I.D." assigned to the report you have made.

If the SCR staff does not register the child abuse or maltreatment report, the reason for their decision should be clearly explained to you. You may also request to speak to a supervisor, who can help make determinations in difficult or unusual cases.

### Local CPS Role and Responsibilities

When a report is registered at the SCR, the local department of social services is immediately notified for investigation and follow-up. A local CPS caseworker will initiate an investigation within 24 hours.

CPS intervention consists of an evaluation of the child and other children in the home and the development of a plan to meet the needs of the child and family. If there is an immediate threat to the child's life or health, CPS may remove the child from the home.

Upon request, CPS may obtain from the mandated reporter those records that are essential to a full investigation of alleged child abuse and maltreatment for any report made by the mandated reporter. The mandated reporter must determine which records are essential to the full investigation and provide those records to CPS when requested to do so. Within 60 days of initiating the investigation, CPS will determine whether the report is indicated or unfounded. Mandated reporters may ask to be informed of the outcome of the report.

### Law Enforcement Referrals

If a call to the SCR provides information about an immediate threat to a child or a crime committed against a child, but the perpetrator is not a parent or other person legally responsible for the child, the SCR staff will make a Law Enforcement Referral (LER). The relevant information will be recorded and transmitted to the New York State Police Information Network or to the New York City Special Victims Liaison Unit. This is not a CPS report, and local CPS will not be involved.

## Office of Children and Family Services

# Summary Guide for Mandated Reporters in New York State

### What Protection or Liability Do I Have? Source Confidentiality

The Social Services Law provides confidentiality for mandated reporters and all sources of child abuse and maltreatment reports. OCFS and local CPS are not permitted to release to the subject of the report any data that would identify the source of a report unless the source has given written permission for them to do so. Information regarding the source of the report may be shared with court officials, police, and district attorneys, but only in certain circumstances.

### Immunity from Liability

If a mandated reporter makes a report with earnest concern for the welfare of a child, he or she is immune from any criminal or civil liability that might result. This is referred to as making a report in "good faith."

### Protection from Retaliatory Personnel Action

Section 413 of the Social Services Law specifies that no medical or other public or private institution, school, facility or agency shall take any retaliatory personnel action against an employee who made a report to the SCR. Furthermore, no school, school official, child care provider, foster care provider, or mental health facility provider shall impose any conditions, including prior approval or prior notification, upon a member of their staff mandated to report suspected child abuse or maltreatment.

### Penalties for Failure to Report

Anyone who is mandated to report suspected child abuse or maltreatment—and fails to do so—could be charged with a Class A misdemeanor and subject to criminal penalties. Further, mandated reporters can be sued in a civil court for monetary damages for any harm caused by the mandated reporter's failure to make a report to the SCR.

### Who Provides Training for Mandated Reporters?

The New York State Education Department (SED) Office of the Professions oversees the training requirements for mandated reporters. Some categories—including teachers, many medical professionals, and social workers—need this training as part of their licensing requirement. The training may be included in their formal education program.

The New York State Office of Children and Family Services (OCFS) is proud to be a certified provider authorized by SED to offer mandated reporter training, and has developed a comprehensive curriculum with content customized to medical professionals, educators, law enforcement personnel, day care providers, and human services staff.

OCFS has shared this well-received curriculum with other certified providers of mandated reporter training, as well as with colleges and universities across the state that provide educational programming in the fields covered by the mandate reporter statute.

OCFS provides mandated reporter training through a contractual agreement with the Center for Development of Human Services (CDHS), part of the Institute for Community Health Promotion, SUNY Buffalo State.

OCFS offers a Self-Directed Online Training for mandated reporters. This 2-hour web-based online training course is available 24/7 and is accessible at:

[www.nysmandatedreporter.org](http://www.nysmandatedreporter.org).

There is no cost to the participant.

**Special Note:** Mandated Reporters who require licensure or certification through the New York State Department of Education (NYSED) are required to take mandated reporter training from a trainer who has been approved by the New York State Education Department. For more information, please go to <http://www.op.nysed.gov> or contact the New York State Education Department at:

[OPPLEUCA@mail.NYSED.gov](mailto:OPPLEUCA@mail.NYSED.gov).

### Conclusion

Protecting children and preventing child abuse and maltreatment does not begin or end with reporting. Efforts to prevent child abuse and maltreatment can only be effective when mandated reporters and other concerned citizens' work together to improve the safety net in their communities.

To be most effective, your local CPS needs strong partnerships within your community. By getting to know the staff in your local CPS unit, you will gain a better understanding of how your local program is structured, and CPS will better understand how to work more effectively with you.

By working together, we can better protect our vulnerable children.
